Quiet: 23 head Slightly Stirry: 2 head	Quiet: 23 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Some heifers were a little lively in the crush but settled straight away after exiting. They have good movement when moving from pen to pen and will stand quietly when left to do so.

Handled With	Bikes
Assessor Comments	Good to very good with 16% fair quality Angus heifers, most medium frame with a couple larger frame. The later end of the drop and too light for the Spring joining, the majority of these heifers would suit as future breeders. Six lighter heifers were taken out. They would also suit to background to domestic feeder weights or take on grass to premium MSA markets. Note they are grass market eligible. Also available this sale same vendor are 78 AA steers and 15 Ax steers. Note also selected delivery days available.
