Assessor Comments	A good to very good quality line of Angus feeder steers with medium to large frame and good conformation. The top of the drop with 27 lighter steers removed, they represent an excellent opportunity to put away on grain or take on grass to premium MSA markets. Note they are grass market eligible and have been treated twice with Bovilis MH + IBR - bottle and batch numbers available on request. Approx 22 steers were noted with swelling on upper neck at injection site. Also available this sale same vendor are 15 Ax steers and 25 AA heifers. Note also selected delivery days available.
