Assessor Comments	An excellent line of 35 Blue Ribbon PTIC Angus heifers to commence calving on the 20th April for 6 weeks. Heifers purchased off A+ from Victoria and Southern NSW with the aim to secure high quality females from reputable bloodlines to put together an outstanding line of young breeders that would compliment any enterprise. The Redbank Angus sires have been selected on birthweight and calving ease index's. Buyers please note; the odd heifer has old pink-eye scarring, not deemed detrimental. Also note there is about 3 heifers in the mob that have a small splash of white on their udder, as well as 2 heifers with small warts on their head (refer photos). There will be two lots of 35hd in this sale with the opportunity to put together 70 heifers of the same description. Bull EBVs and PTIC declaration available. Purchase with confidence; terrific females that will not disappoint.
