Assessor Comments A small line of 8 quality Angus cross heifers that would meet many purchaser's requirements. These heifers are very well grown and should mature into very good mothers given the chance. They are also very suited to fatten for trade or pasture fed markets. Pasture fed and antibiotic free. They are NSM and ready to join, giving purchasers the ability to join them to a bull of their choice. It can be difficult to find a small line of good cross bred heifers - combining Angus, Hereford and Charolais. Sired by Dunoon, Eastern Plains and Wattletop Stud Angus Bulls purchasers can be confident of the genetics in the "Throwley Station" bred cattle. Very well educated and handled with horses, dogs and vehicles - they will suit large or small operations. Heifers with huge potential moving into the future. NOTE: Vendor has 10 pure Angus heifers in same sale.
