Assessor Comments	An excellent line of NSM heifers, which were purchased off AuctionsPlus out of Victoria 9 months ago. Since arriving at “Boredale” these heifers have shown incredible weight gain and growth. Please note that these heifers will be offered as 2 lots of 31 run out the gate. There was the odd heifer observed with a white patch around the udder (about 4 out of the 62) as well as some with the odd freckle on their face (about 5 of the 62).
