Assessor Comments	A great opportunity to purchase the entire 2021 Drop of ewes off Cara from the Wettenhall Family being the start of the flock dispersal, with the balance of mixed age classed ewes and the 2022 drop of Ewe lambs unclassified for the Jerilderie November sale. Cara have been using Willandra Polled and Horned rams for some 45 plus years. Flock average wool cut has been consistently between 8.5 and 9kg, concentrating on structure, wool cut and fertility which has been the Willandra Merino Stud traits. Today's ewes have been drafted into lots of 310, 380 and 279 for your competition.
