Assessor Comments	Hereford and Hereford X Cows that are in calf to a Bongongo Angus bull to commence calving mid-February. Cows present in forward condition and weighed 556kg full (464-778kg) at assessment. These cows have just weaned some big thumping black blady calves and will do the same again next year. Great trade or herd rebuilding proposition. Please note; vendor also has another lot of 4 x 4 cows and calves in this sale.
