Assessor Comments	34 Watervalley Angus Heifers Ave 241kg curfew, weighed between 230-290kg. Presenting in fresh store condition. The majority of the heifers display freshness with young body's, and approx. 15% showing a slightly older larger frame with less condition. They are capable of fast compensatory weight gains given opportunity. These young heifers are a very even line. This offering the opportunity purchase 1 mark vendor bred Angus heifers to put away in the paddock. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. The vendor has an other line of 64 in this sale from a property within 30km which may help with trucking.
