Assessor Comments	An excellent quality small lot of weaner heifers. Yard weaned properly back in May and run on since, they really do present as to top notch article now. No heifers have been retained this year as the herd at "Sherbourne" is at capacity so you are getting to buy the best of the best with the tail removed, an ideal line of young heifers to take on and join this coming spring. Carrying the highly sort after Millah Murrah and Rennylea bloodlines these heifers are of the highest quality, worthy of your serious consideration.
