Assessor Comments Lead draft of vendors Heifer weaners, rising 1 year old. Also has another 26 Steers same age & description in this sale. Heavy boned, high yielding, Euro cross heifers that will make A-Grade bodies off grain or would equally suit a grass program. Grass fed & antibiotic free declaration available upon request. Just starting to show some rubbing these heifers would benefit from a lice drench. 1 heifer noted at assessment with an old pinkeye scarring but still had sight from the eye. Easy access for trucks situated on the Hume Freeway 22km North East of Holbrook
