Very quiet and docile cows that are very easy to work with and handle

Handled With: On foot

Assessor Comments: An outstanding line of very large Angus cows with their fourth calf at foot. Not rejoined. Large framed cows that averaged 740kg at Assessment, deep bodied long cows that are all sound in the udder and feet. Calves are sired by the Stud Limousin bull, they are all marked and vaccinated. Cows are ready to rejoin, ideal for a small acreage or to add to an existing herd. Young cows with their fourth calf at foot. Very quiet and easy to work with.
