Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	12 **EU** Good Quality Angus and Angus X Cows and Calves, that have Speriby North Angus calves at foot, and are predominantly 8 Years Old. Cows present well, and are doing a magnificent job on their calves. Calves have been marked, and both cows and calves are up to date with vet treatments. Cows are Predominantly Speriby North blood cows, and have been rejoined to Speriby North Angus bulls for 6 Weeks. Cows are 448kg to 574kg at assessment, and averaged 516kg full. These cows would suit a breeding operation, and are only being offered due to the vendor having a large herd of young females rising.
