Heifers were quiet out in the paddock walking up to vehicle. In the yards heifers moved through with minimal fuss and went through the crush with ease. A small number got slightly stirred up in the crush while weighing and preg testing. Very quiet while walking around the paddock taking photos.

Assessor Comments	A good opportunity to purchase a quality line of PTIC Angus/Murray Grey heifers showing plenty of growth and freshness about them. Vendor has been on Merravale/Wareena Angus bull bloodline for some time. These heifers would make a handy addition to any herd whilst being a good line of heifers in their own right. Note: The vendor is offering 3 other lines of PTIC heifers in same sale. Located approximately 90km from Adelaide.
