Assessor Comments	Excellent line of red tag ewes may-June drop 2022, Pastora blood ewes that are shorn and ready for your choice of ram. Brothers of these ewes topping the merino lambs in Wagga yearly. When shorn in September these ewes averaged 16.7 micron and cut an ave of 4kg with only 8 months of growth. 20% tail removed. Great line of plain bodied ewes that would be an asset to any breeder.
