Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	A very good line of ewe lambs from a high performance flock with a great reputation. They are an even line and are in a forward condition. All ewe lambs 40kg +. These ewe lambs present a wonderful opportunity to either make a start into shedding sheep, or bolster your own flock. Vendor consistently achieves 48-50% dressing (off full weights) for the wether lambs on hook; the brothers to these girls went 29kg at 6 months! Mature flock are big barrelled ewes with good shedding traits and excellent lambing percentages. Note, ewe lambs will stay on mum till delivery. Vendor has another line in this sale.
