Notable Traits

	Traits
4 Head	Small ruptured purse

Assessor Comments	Very good quality Santa & Santa cross steers 14-18 months HGP Free. Steers usually retained to heavy feeder weights however are being sold off agistment due to the light season. Steers with a lot of potential and opportunity to capitalize - good frame with scope to add weight. Very tidy and clean around the head. Approx 26 do not have an age brand however are true to age #3's
