Heifers ran through the race well. Two or three heifers stirred slightly and ran a bit quicker. Let them out into a big yard to take photos and they walked around quietly with no problem. Over all very good to handle.

Assessor Comments	70 nice quality Angus heifers that where purchased direct from the breeder and are 100% lifetime traceable. Nice line of very even heifers to either grow out and join or to feed. Vendor has two lots of 35 of these heifers on this sale along with two lots of black baldy weaners also.
