Assessor Comments	Real opportunity here to purchase top line beautifully bred heifers that have always performed exceptionally well for previous purchasers. There are a total of 270 heifers in this draft to be offered as three even runs of 90 out the gate. Heifers look to me to have plenty of compensatory growth in them and should steam ahead given the right conditions. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past.
