Assessor Comments	Opportunity to purchase Bazadaise bull weaners. There are 6 on offer as well as 2 Speckle Park weaner bulls, Bazadaise bulls show the desired traits of the breed including great muscle definition, good bone and structure. Cows and these bull weaners show great muscle pattern and are very high yielding animals with exceptionally higher saleable meat yield traits. Bull weaners are called up daily to be hand fed silage in the paddock by the owners wife.
