Well handled Steers that have been through the yards and over the scales a number of times. Easy to work with they know their way through the race & crush.

Handled With	Bikes , Vehicles
Assessor Comments	Lead draft of vendors steer weaners, rising 1 year old. Also has another 19 heifers same age & description in this sale. Steers have frame, muscle and heavy boned. High yielding, Euro cross steers that will make A-Grade bodies off grain or would equally suit a grass program. Grass fed & antibiotic free declaration available upon request. The odd steer is showing a few rub marks on the neck and there was 1 steer noted at assessment with an old pinkeye scarring but still had sight from the eye. Easy access for trucks situated on the Hume Freeway 22km North East of Holbrook
