Assessor Comments: Great chance to secure very affordable young steers in time for Spring. Put them in a paddock and watch them grow. These steers have had a great start and will continue to do well given the opportunity. Steers have received 7in1 at

	weaning and a Booster shot. A great opportunity to purchase steers on the do. Buyers please note there is one very good Friesian X steer. Friesain X steer has been dehorned, however 1 horn has returned.
