Assessor Comments	Quality young females that are genuine 1st calvers. Heifers have done very well on grass, these heifers will continue to explode and put on condition shown the feed. They are milking well and with time will become lovely future breeders. Heifers ready to join to the bull of your choice. These heifers have calved at a young age hence the weight but are extremely hardy and tough and worth their weight in gold. Extremely quiet and ready to produce for a lifetime.
