Placid natured, bucket reared Heifers. Sweet hearts to handle, can't fault them. A couple of heifers were a bit nervous in the

	crush, weaving side to side and getting a bit Anxious, settled as soon as the head bale was opened, and walked back to her sisters.
Handled With	Bikes , On foot , Vehicles
Assessor Comments	Beautiful natured young F1's. Ideal future vealer mothers. Drafted off as the lighter weight heifers. All shining with good health & with a nice top on them, carrying a healthy fat score for their type, in ideal condition to put out with the bull in the near future. Reared on farm by their breeder, you can take these heifers on knowing they have never seen a bad day or had a set back in their lives and will continue to go forward. Please see photos & video for full contentment.
