Assessor Comments: A small quality line of one mark Angus Heifers that show good growth for age and have performed well throughout the seasonal changes of the year. Heifers present in forward-store to forward condition and averaged 481kgs at assessment. Heifers would be both equally suited to feed on and take onto heavier export weights over the winter on crop or join to the sire of your choice. Please note, there are no bulls on the property. 2 Heifers show white underneath on the udder and in

	front of the navel.
