Assessor Comments: 18 Te Mania Bld Angus Heifers, June/July 2023 Drop. Heifers present in forward condition with ample frame, length and are true to type. Future breeders would be an excellent addition to any spring calving operation with 15+ years of Te Mania breeding behind them. No 2022 drop heifers have been retained due to a later calving, so this line represents the tops of the drop. Heifers have been preg tested EMPTY for buyer confidence.
