Tai is a quiet Heifer, and we had no issues with her during the assessment process.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Tai, is a quality Heifer, she showed good temperament during the assessment process. This Heifer stood out a little more from the others in this sale. She is a nice soft heifer that would continue to grow and be a good investment to anyone's stud breeding program. With a positive 4 months plus in calf status she would be a good purchase. As all heifers in this auction she has been tested for both DNA Horn & Genetic testing(see photos). Sweet Acres Speckle Park have 8 PTIC Heifers and 11 Heifers and calves in this sale
