Assessor Comments	The complete dispersal of the Kyabra Aussie red herd. A nice quiet line of registered Aussie red cows and calves. Well bred quality, quiet young Aussie red females with fresh calves at foot ready to join back to the bull of your choice. Cows were very easy to move and flowed through the cattle yards with ease. Were purchased as Heifers from Beaulands Aussie Red Stud from the south coast NSW. Please Note Calves are not registered. Vendor also has another lot of PTIC Cows and 2 bulls in the same sale.
