	Cows handled very well in the yards with at times being completely unphased by us, odd cow on the scale platform a bit uneasy but generally no worries.

Assessor Comments	A nice line of cows and calves that have had all the hard work done and ready to go ahead in the coming months. Cows year in year out have produced top calves that continually make grade as milk vealers. Cows not overly old ranging from 2nd to 4th calvers. Calves have a little bit of variance in which has resulted in also the size, the two biggest heifer calves are a pair of twins. Lovely units ready to take the bull of your choice.
