| Assessor Comments | Buyers 5 decks of Charolais X heifers that have strong genetic value. Heifers are best described as being medium to large frame and in strong store condition. At assessment every heifer was handled with a fair sample weighed of 110 head. Heifers show good bone, length & frame and are ideal to background out to heavier weights for feedlots or future breeding. Buyers please note at assessment 6 x head were noticed with some old blue eye scarring but not seen as detrimental. |
