Assessor Comments	An exceptional line of one-mark KO and Aristocrat blood Angus heifers. These heifers are 9 - 10 months old and have been weaned for 8 weeks. Heifers are mostly medium frame presenting in fresh forward condition and are ideal for joining. Heifers are showing good stretch and type for their age and will make a welcome addition to any breeding operation. Please note the vendor has another lot of 40 heavier heifers offered in the same sale providing the opportunity to put together 80 one-mark heifers.
