J-BAS Score: 6

Vendor Comments: Steers are part of a annual turn off, they have great temperament which have been handled by a husband and wife team. Steers have performed well as they have been rotationally paddock grazed.

Temperament	Yards	Crush	Paddock
	Quiet: 78 head	Quiet: 78 head	Temperament not assessed in Paddock

Credit to the vendors, as these steers were excellent to handle through the yard and in the crush. Steers have a quiet temperament which could be attributed to being weaned well. The cattle are well handled as they are part of a rotational grazing program.

Assessor Comments: Vendor is offering a VGQ line of vendor bred Weaned Angus & Speckle Park cross steers, that present in store to forward store condition. They have had great start with an ideal summer grazing conditions, this can be seen in the photos and video's. Steers are very easily handled through the yards and the paddock. Steers have the reputation of being high performers on grass or grain.
