Assessor Comments	On offer are 24 x 24 Santa Cows & Calves that are TOP quality, cows are mixed age and average 500kg empty. These Cows were purchased out of the Curtis Family's Santa Cattle Herd dispersal at the Forbes Store sale at the beginning of the year, they are Rockingham Santa blood. They have fresh, classy calves at foot sired by Kenny's Creek Angus Bulls. Cows were all mouthed and all sound bar 2 that had broken mouths. One calf has a swollen front joint that has been treated with an antibiotic injection 3 weeks ago, calf will need another injection as it is still lame on the foot. Calf was vet checked and antibiotic injection was advised. Great opportunity to purchase some top quality Cows & Calves. BUY WITH CONFIDENCE
