Assessor Comments An attractive line of Angus heifers with bloodlines deriving from the Millah Murrah TeMania & Noonee Angus Bloodlines. Heifers were weighed and drafted out of a larger mob. Heifers have been running on lucerne with access to natural pasture for the last 2 months and are well on the move forward. Excellent to handle in the paddock and in the yards. Vendor has another 98 heifers run of the gate to make 196 total of the one draft assessed as a whole. Vendor payment terms available to approved purchasers with approval prior to sale with July 1 payment.
