Handled With	Bikes , Vehicles		
Assessor Comments	A very nice line of heifers ready to take home and join to the bull of your choice. Showing good length of body with deep		

flanks and plenty of volume. These heifers will grow on to be larger framed sound cows. The combination of the Angus and Black Simmental will ensure you capture plenty of hybrid vigor benefitting your calf crop. Pregnancy scanned by Holbrook Vet Centre to give you confidence to buy and join to the bull of your choice, Long Valley Beef has been breeding Black Simmental and Simangus since the early 2000's using AI & ET to capture the best of imported and domestic genetics. The herd regularly sells bulls from Gippsland in the south to Queensland and past heifer lines have been highly sort. The herd features sound functional cows with plenty of performance.
