Assessor Comments	First online offering of Maronlea Genetics young bulls. These guys have been doing it for years as a straight Shorthorn stud and selling paddock bulls to returned and new clients. They have now combined their knowledge of the Shorthorn breed / genetics and have bred these Black and Red composite yearling bulls along with their straight Shorthorns young bulls and are pleased to now have them on offer. These bulls in this sale are well grown and in perfect joining condition and ready to go to work. All bulls will be vet checked prior to delivery. Vendor has offered DELIVERY terms - please see delivery section of this assessment. Vendor has 9 lots in this sale. This Black composite bull has a long bodied and large frame. He has very small scurs and a faint old scar on eye. He has good feet, moved well while filming, a pleasure to handle. Both Corey and John (vendor) are happy to talk to anyone who has any queries on the bulls - John - 0447 187 925 , Corey - 0458363131
