Assessor Comments	A very good line of 2 1/2 year poll Hereford heifers preg tested in calf to have their first calf in February / march 2023 . These heifers are by Wiruna poll Hereford bulls and are medium frame heifers presenting in strong store condition which is ideal leading up to their first calf . They are preg tested to a LBW (+1.8) Hazeldean Angus bull sired by Ardrossan Magistrate . These heifers are only offered for sale because the vendor is selling the autumn calving females . They have a very relaxed temperament . Buyers please note the vendors other lots for sale . The selling agent can help with organising cartage to most areas .
