Assessor Comments: Here is a good opportunity to purchase a even mob of young weaners that are from a tight AI program and are weaned up and are ready to power ahead. These cattle have been handled by a good stockman and have all been well educated to flow through the yards as a mob with no stress. Great to handle in the paddock with horses, dogs & bikes. Sired by high EMA bulls these weaners have a wealth of genetics running through them and display great shape and softness. Ideal cattle to take onto the crop and will preform. N.B 2 head have old signs of ringworm & old pinkeye scaring in one eye witch
