Assessor Comments	A very good line of 3 to 5 year Angus & black baldy cows preg tested in calf to calve March / April 2023 . These cows are by Hazeldean Angus bulls and PTIC to the Wiruna poll Hereford bull . They are good frame cows presenting in strong store to forward condition which is ideal leading up to calving . These cows are from a very productive top quality herd and are only offered for sale because the vendor is selling the autumn calving females . Buyers please note the vendors other lots for sale .
