Handled With: Dogs , Horses , On foot , Vehicles

Assessor Comments: A nice group of predominantly shorthorn steers with 3 shorthorn x angus steers in them from the same bull. These steers show good growth for age and sound structural bodies that will turn into very good feeder steers or lovely big soft grass feed bullocks. These steers are backed by some very good genetics being sired by the high performance Royalla Shorthorn bulls. Steers that will go on given the opportunity to feed.
