Assessor Comments	A good mob of No. 3 Backgrounding Steers that have been bred in the tick free area North of Jericho. Steers were weighed on a full curfew. The Steers have been bred and raised on native pastures including spinifex and spear grass. The Cattle are in good healthy condition ready to go on with in some improved pastures. While there are 9 polled Steers in the mob the rest will need dehorning to tidy their heads up. There are 44 grey, 8 red, 5 honey, 2 brindle and 1 black Steer. There is another deck of Steers in the auction from the same Vendor. You are buying off the nominated price as per the adjusted delivery assessment.
