Assessor Comments	An excellent opportunity to secure a top line of future breeder Angus heifers, purchased in Feb as the best heifers available at the Strath sale and have had no access to bulls since. That being said they are right in the slot for the feedlot or backgrounding also. Vendor has done well to keep these heifers in such good condition. A pleasure in the yards to draft and weigh. Take the opportunity to tuck them away with rain on the way. Join to the bulls of your choice, fatten on grass or feedlot. All three are genuine choices with this classy draft of Angus heifers
