Assessor Comments	**Quality Angus Female** Opportunity to purchase HBR Angus Breeder. Follow link in breeding for pedigree and ebv's. These 8 selected females were selected on genetic calibre and structural confirmation and would suit the most discerning buyer. King Isle Farms operates as a Co Operator herd for Lawsons Angus hence females are registered under 'VLY' prefix and all offspring are fully registrable. They are very consistent for type and display excellent shape and muscle for females. They are classed in breeders only being sold due to selling all Autumn calving cows. Note: See video
