Assessor Comments	Young Angus cows with second calf at foot and pregnancy tested back in calf. They where AI'd to Texas Iceman R725 on the 10th July 2022, so due to calve 18th April. They are doing a cracking job on their calves. There one cow with white on her face and she has a baldy calf. One cow has an old pinkeye scar, leaving an eye slightly cloudy. Same vendor has a 6x6 in same sale.
