|---|---|
| Assessor Comments | 27 - Vendor bred Angus Steer Weaners presenting in healthy fresh forward store condition. Steers are unweaned, currently on the cow to be weaned at delivery. Calves were quiet to handle through out the assessment process, being managed in a rotational grazing program being monitored & moved on a regular basis. Steers are bred from a self replacing Angus cow herd. Calves were subjected to a 4 hour yarded curfew prior to assessment. Calves were marked mid January, odd steer with pierce still attached or unhealed band marks. Steers are eligible for Grass Fed & Antibiotic Free specific markets. Sale of Steers present an opportunity to purchased a genuine line of good quality vendor bred Steer weaners , suitable for any Domestic or Export or Angus Specific Long Fed Feedlot markets. Purchasers please note - Vendor has the Heifer portion of a similar description in same sale. |
