Assessor Comments: Buyers a very nice line of Weaned Angus & Angus X heifers. Sired by high quality Booroomooka sires. All credit must be given to the vendors to present these cattle so well considering the very dry summer at the top of Woolbrook. These Heifers are out of good frame cows. The are well suited to make replacement heifers for someone looking to top up they're her, equally suited to backgrounding jobs from Feedlot entry weights or going to Domestic/Export MSA processing weights.
