Assessor Comments	A quality line of Black and Black Baldy steers. Out of very well bred and well regarded Hereford & Angus cow herd by Wrigley cattle Co sires. Steers with great growth potential that show good bone and length. Great opportunity to buy quality young cattle that have all the hard work done and should power ahead without a setback. Current average ADG is 1kg on a predominantly roughage mix. Odd steer still growing out of his male traits as marked a little later than usual.
