Well bred good quiet young calves

Handled With: On foot , Vehicles

Assessor Comments: Well bred good young Murray grey calves. Quiet easy to handle cattle that are part of an annual sale of young calves from this breeder. Calves are ready to grow on given good feed. They are still running with the cows who are showing the signs of a tough season. These calves have done well for previous buyers and these should be no exception. Please note there are 3 dark grey strs and 7 silvers.
