Notable Traits	
	Traits
1 Head	Single eye scar

Assessor Comments	26 Angus x Angus yearling steers, here is a single deck of Angus yearling steers that have weighed 348kg average after a one-hour curfew, these steers range from 320kg through to 386kg and present in fresh forward condition. These steers have been backgrounding on fresh sub-tropical grasses for the past 4/5 weeks and have just seen the start of this season's oats crop, whilst also receiving a light silage & cotton seed supplementary ration. These steers are Grass Fed & Antibiotic free and are up to date with there animal health including there first MH + IBR shot. These steers are the right article to further on winter crop for feeder markets into the spring of this year or domestic kill markets.
