Assessor Comments: Excellent opportunity for a 2 deck load of vendor bred Steers. These cattle are pushing through a very tight feed period and

| | |
|---|---|
| | represent true store condition steers that will respond to good feed and have proven over the years to do just that. Only a portion of cattle on property were assessed for sale, not all. If the 70 do not fit on 2 decks buyer will not be held accountable to buy the outstanding number, purchase only what loads on 2 decks. Please note vendor has 3 decks of heifers in the sale also. |
