Assessor Comments	Buyers on offer are 35 weaned EU Angus steers that present in store condition and are ready to go forward for intending buyers. These steers will suit all Angus markets and would be ideal to take through to trade weight feeders, or take through to Angus grassfed bullock markets. Buyers please note, 4 steers presented with old blight scarring at assessment that was treated with Terramycin spray for buyer reassurance. One steer presented with rub marks/warts on brisket. This is your chance to secure 35 EU Angus weaned steers that are all frame and come highly recommended. *Please note, vendor has another lot of steers in same sale*.
